The *Community College Technology & Engineering Scholarship* was created to support bachelor’s degree seeking students who intend to pursue an engineering and/or technology program that aligns with today’s industry needs.

**Who can apply?**
Massachusetts community college students and alumni who will receive or have received an associate degree and are pursuing a bachelor’s degree at the College of Professional Studies are eligible to apply. To qualify for the scholarship, applicants must be seeking one of the following degree’s (in any course format):

- Bachelor of Science in Biotechnology
- Bachelor of Science in Engineering Technology in Computer Engineering Technology
- Bachelor of Science in Engineering Technology in Electrical Engineering Technology
- Bachelor of Science in Engineering Technology in Mechanical Engineering Technology
- Bachelor of Science in Information Technology
- Bachelor of Science in Operations Technology
- Bachelor of Science in Technical Communication

**Eligibility criteria**

- U.S. citizen or U.S. permanent resident
- Graduate or soon to be graduate from a Massachusetts community college with an associate degree and will pursue a bachelor’s degree at the College of Professional Studies in one of the aforementioned degree programs
- Minimum GPA of 2.5

**Application instructions**

Complete the [scholarship application](#) from one of the following (your recommender should be someone that can attest to your commitment in seeking a degree in engineering or technology):

- Employer, direct manager, or supervisor
- Or advisor

**Scholarship essay** should be two pages, double spaced (approximately 500 words) and addresses the following:

- Describe your educational goals and career aspirations as they relate to today’s industry needs.
- Discuss how completing your bachelor’s degree at the College of Professional Studies and receiving the *Community College Technology & Engineering Scholarship* support your educational goals and career aspirations.
- Explain the personal or financial circumstance on which the need for scholarship funding is based.

Complete the [CPS admissions application](#) and submit all necessary documentation required by Student Financial Services to determine your financial need.

**Scholarship deadlines**
The *Community College Technology & Engineering Scholarship* will be awarded several times a year. Please review the scholarship deadlines on our website. The application materials listed above must be submitted by the stated deadline in order to be considered for the scholarship.

**Review process**
The *Community College Technology & Engineering Scholarship* committee will review all applications and make award selections. Candidates will be informed of award decisions approximately three weeks after the deadline by letter. The scholarship applies to tuition charges only and will be disbursed to the recipient’s student account over the course of his or her degree program.
