

Accessing SMARTHINKING Tutoring within Blackboard (CPS)

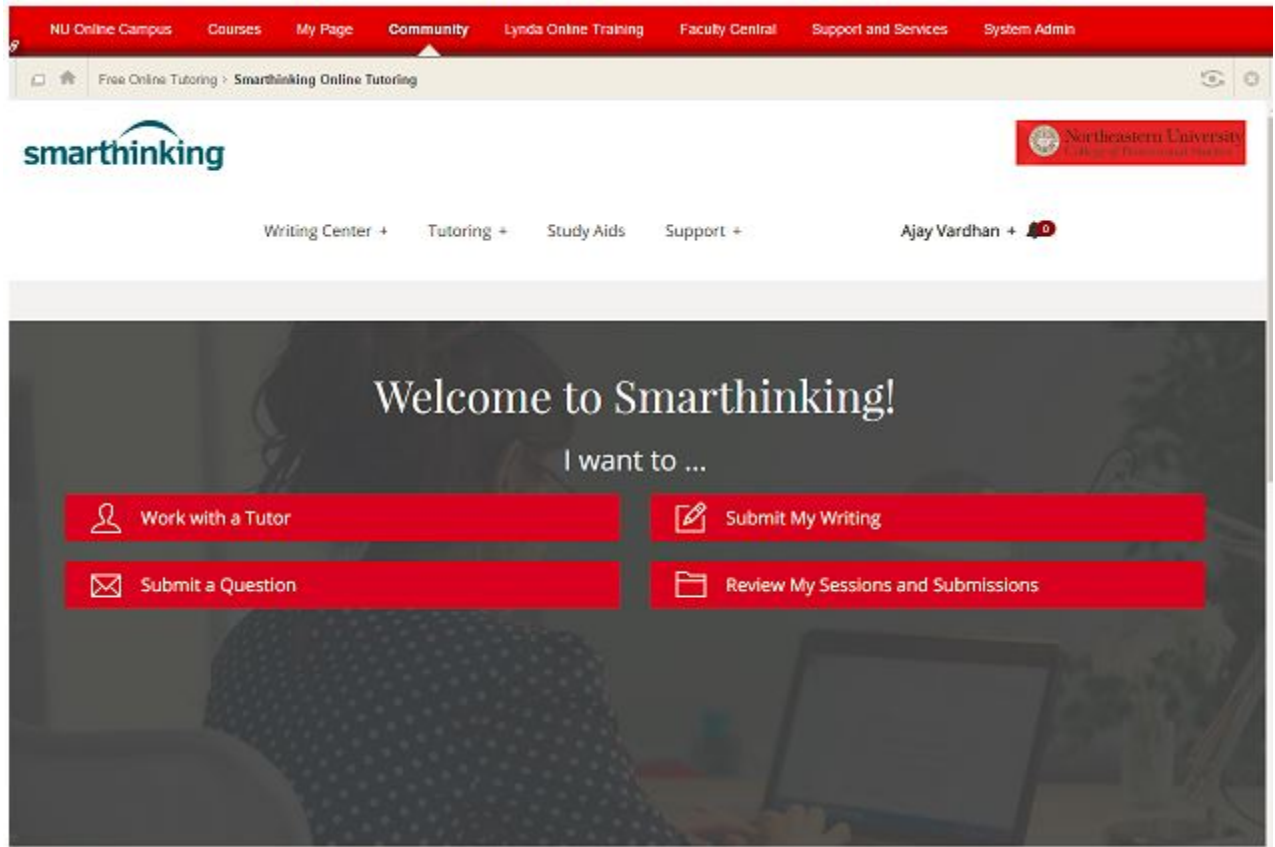

To access Smarthinking:

- 1 Access SMARTHINKING by clicking the “Launch Smarthinking” button in the “CPS Free Online Tutoring” module, located under the Tools area on the left side of the Home tab of Blackboard.

The image shows a screenshot of the Blackboard interface. At the top, there is a 'Tools' menu with the following items: Announcements, Calendar, Tasks, My Grades, Send E-mail, Personal Information, myNEU Portal, Lynda, Qwickly, and Application Authorization. Below this is the 'CPS Free Online Tutoring' module, which contains a 'Launch Smarthinking' button. A red arrow points from the 'Launch Smarthinking' button to the 'Tools' menu. Below the 'CPS Free Online Tutoring' module, there is a timestamp: 'Last updated: Jan 12, 2018 12:25 PM'. At the bottom, there is a section titled 'EvaluationKIT Course Evaluations'.

2. You will then see this screen below. Please make sure that any pop-up blockers are disabled.

3. If you are asked to enter your username and password, please click the skip button unless you have used SMARTHINKING previously, outside of Blackboard. Previous users can transfer information to their new account by following the instructions on the screen.

4. You are now ready to use SMARTHINKING.

If you are interested in learning more about how to use SMARTHINKING or using other resources provided through SMARTHINKING, click Academic Resources for information on specific content areas, writing guides, and information about phone and email support.
